

Petition to STOP the EV Mandate in Delaware

Petition Summary	DNREC Secretary Shawn Garvin & Gov John Carney have proposed a Mandate <u>to BAN sales of new Gas-powered and Hybrid vehicles in Delaware</u> , beginning in 2025, by adopting California's Zero Emission Vehicle (ZEV) regulations. Under the Mandate you <u>will Not be allowed to register a combustion-engine vehicle in the state of DE by 2035</u> . The Mandate also restricts sales of vehicles Model Year 2014 and newer, severely limiting your freedom of choice.
Action Petitioned for:	The signees below OPPOSE the EV Mandate and call on DNREC Secretary S. Garvin and Gov J. Carney to stop this governmental over-reach of power--- Do NOT adopt California ZEV regulations in Delaware.
